

Orbital\_change

```
graph BT; disabled_CE[disabled_CE] --> Orbital_change_CE[Orbital_change_CE]; Orbital_change_CE --> Orbital_change[Orbital_change];
```

A vertical flowchart with three rectangular boxes. The bottom box is labeled 'disabled\_CE', the middle box is labeled 'Orbital\_change\_CE', and the top box is labeled 'Orbital\_change'. A vertical arrow points from the top of the 'disabled\_CE' box to the bottom of the 'Orbital\_change\_CE' box. Another vertical arrow points from the top of the 'Orbital\_change\_CE' box to the bottom of the 'Orbital\_change' box.

Orbital\_change\_CE
